Motion Title: Schedule Two (Election and Referenda) Update Motion (as amended)

Motion Resolves:

To amend Schedule Two as outlined in the accompanying Schedule Amendment document.

Motion amended to include the following amendments to the updated Schedule Two:

1. "7.3 i) Candidates will be reimbursed half of their total campaign budget on the production of receipted campaign spend. Candidates will be eligible to apply for hardship support to cover more, or all of their election expenses. A decision shall be made by the Elections Committee on a case-by-case basis."
2. "7.3 iv) All printed publicity material shall be supplied by the Union. Sabbatical candidates will be entitled to a total of 20 A3 sheets, Volunteer Officers of 10 A3 sheets, NUS Delegates of 10 A3 sheets."

Motion Notes:

The Students' Union undertakes regular reviews of the Schedules to ensure we are operating effectively, efficiently and in the best interests of students at Stirling. Given practice both within the Students' Union and advised best practice across the sector has changed since Schedule Two was originally written, changes to this Schedule are required to ensure they are up to date.

Amendment Notes:

Based on research from other institutions, reflections on what could work best and discussions with students regarding the proposed Schedule Two, these two amendments are needed to ensure that the Elections are accessible and inclusive of all students.

Motion Believes:

Updating Schedule Two will ensure governance within the Students' Union is up to date and in line with best practices.

Amendment Believes:

These amendments will continue to ensure that no student is prevented from standing and enforces our commitment to sustainability regarding limited printed publicity.
