

# Equalities Officers Election

This will cover the following roles:

- BAME Students
- Disabled Students
- Gender Identity
- Sexual Identity
- Women Students

The SU will open nominations for these roles, electronically via a MS Form. The nomination period will be open until the 9th February 10am, with voting happening from the 16th February until the 26th February 5pm. The Students' Union will oversee the election of the Equalities Officer roles, in a process agreed by the Student Leadership Team, as outlined in Schedule 2 Election Regulations. You will have to share evidence of this decision-making to the election team on [suelections@stir.ac.uk](mailto:suelections@stir.ac.uk).

Societies' committee members, with support from staff in the elections team of the Students' Union, will facilitate a husting and the vote process. We suggest using your committee meeting to do this. In the event that there are a number of societies that are considered relevant by the Student Leadership Team, the SU will inform the relevant societies and support in organising a joint meeting. To best support you, we ask that you share your availability until the 16th February 2026.

Candidates are expected to self-identify to the roles they are nominating themselves for, as do voters in the elections. Candidates will also be expected to have signed the Officer Code of Conduct form before their nomination is put forward for vote.
